

November 25, 2001

Dear Student:

As the end of the semester approaches, we are once again interested in your opinions about your educational experience this semester. We are systematically surveying all first-year students living on campus. Results from this study will be used to improve the student experience at Iowa State University. Please provide us with this important information by completing and returning the enclosed survey.

We know that your time is valuable. To thank you for participating in this study, we would like to enter your name in a drawing for a \$500.00 prize. We will randomly select one winner from all those who complete and return a survey prior to December 5, 2001. Only those individuals who complete and return the survey will be included in the drawing. Your odds of winning will be approximately 1 in 3500. You will be notified by mail, email, or phone if you have won the \$500.00 prize. The drawing will be held on December 18, 2001. You should receive notification between December 18 and December 21, 2001.

Please help us out by completing the enclosed survey. If you are willing to participate;

- Remove the General Purpose Answer Sheet from this packet;
- Write your Social Security number on both the backside of this page and on the General Purpose Answer Sheet beginning with the first box of the Identification Number section (there will be one box left empty);
- Fill-in the appropriate circle on the answer sheet in the column below each box;
- Darken with a number 2 pencil the corresponding circle on the answer sheet indicating the one answer you select for each question;
- Record on the survey itself your written answers for the questions on the back page.

Your Social Security number is needed only to link this survey to any previous or follow-up survey as well as to link to demographic information not obtained from the survey. Your identity and individual responses will be kept confidential and only group data will be reported. You can withdraw from the study at any time. The survey should take approximately 20 minutes to complete.

Please return the survey to your Resident Assistant/Community Assistant or to 2419 Friley by Wednesday, December 5. If you have any questions, please contact Michelle McFadden via phone (294-2545) or email (mcfadden@iastate.edu).

Thank you for your cooperation. Results from this study may highlight and identify ways we can improve student experiences at ISU!

Sincerely,

Howard N. Shapiro  
Vice Provost for Undergraduate Programs
